Crew Parking
Location Type : Filming Location

Parking Notes

It's a very small location so the cast and crew needed for set will be in one small sedan in the parking lot right across the location. We've already talked with the restaurant manager about our activities. Given the fact that we're going to be filming in front of a bar at 10:30 AM for an hour and a half, there will be no parking issues as the parking lot will be mostly empty, we've been assured.
